FLYING POSTMAN IS "ON HIS ROUTE" **WITH AEROPLANE**

Capt. Beck Takes Up Duty of Delivering 20,000 Letters Twice a Day.

FIRST "PONY" OF AIR.

Special Stamps Issued by Post Office for Nassau Experi-

ments.

AERODROME, NASSAU BOULE-VARD, Sept. 22.-Capt. Paul W. Beck of the Eighteenth Infantry, U. S. A., arrived here early to-day to get in shape his Wright machine in which he will make the first aurial mail delivery experiments in this country during the aviation meet wisfels begins to-morrow,

He was scheduled to make a trial

"AERIAL PONY."

A big post-office tent was erected in the West at 11.15 o'clock this morning. The With a favoring breeze he speed along of clerks under the supervision of Warren W. Dixon, Chief Post-Office Inspector in this district. Every convenience for in this district. Every convenience for the west at 12.15 o'clock this morning. At Susqueshanna, Pa., he went over the in this district. Every convenience for in the accounts with Mr. Edward Mr. Grout. He asked me to write a tester, stating that I had no interest in those combination in resolvent many approaches to the makes it monopolistic composations made clear, and this makes it necessary for "NUPITO," a proprietary remedy, not a conversation with Mr. Edward Mr. Grout. He asked me to write a tester, stating that I had no interest in those combination in resolvent many approaches to the makes it necessary for "NuPITO," a proprietary remedy, not a conversation post-office tent, to go through the usual handed to Capt. Beck, whose duty it is to sall away with it to Mineola, Garden
Susquehanna before he heads for "The books of the corporation"
The books of the bank show one Two special aerial stamps have been made for this meeting. One reads: "Aero Station, No. 1, Garden City, P. O. N. Y.," and the other, for the back of day the letter giving it a souvenir value,

reads: "Aerial Poetal Delivery?" Another evidence of Government sanction of the meeting is the presence of First Lieut. C. B. Hodges, Twenty-ninth AMERICANS STRANDED Infantry, with thirty-inne men, in charge of the pylons and the signalling

and patrolling arrangements. Men from Governor's Island and Fort Wadsworth will be used in scouting contests. They will deploy into the woods and surrounding country, and it will be the task of aviators to fine them and return to Gen. Grant in the judges' stand with a description of the party and its whereabouts. The prizes to the fivers who accomplish this the quickest and most accurately. CIVILIANS MAY CONTEST FOR

SCOUTING PRIZES.

F. Kline, in his Church biplane, was the only one who flew, and his was little more than a grass-cutting expedition.

Extensive flying was scheduled for this afternoon. Harry N. Atwood ex-pacts to tune up his Burgess-Wright. in which he has installed a new French motor, and George D. Beatty, who is touteed as a rival to Lincoln Beachy in the matter of "Dutch rolls," figure eights and other reckless air gyrations, announced that he would try out his

The four women who are to partiti-pate, Misses Matikia Moisant, Parriet Quinby, Helene Dutrieu and Blanche Scott, are also to make trial flights to-day.

ATWOOD FLIES WITH A PASSEN-GER AND DELIGHTS PARENTS.

Harry N. Atwood went up in his Burgess-Wright machine shortly after neon being the first of the airmon to make a flight to-day. He took W. F. Wilmuth of New York with him and made a beautiful flight. He was up about twenty minutes and went as high as 500 feet. He went around the field five times and ended with a semi-circular volplane descent that seemed to tip his planes side-wise to an angle of 45 decrease.

wise to an angle of the degrees.

Atwood's parents, Mr. and Mrs. Samuel S. Atwood of Boston, watched the flight. Mrs. Atwood made her first flight yesterday with her son, and was up nearly half an hour. She said she liked it immenaely and fall not the slightest fear. "I have full confidence in Starry," she
